FORT COLLINS CHRISTIAN SCHOOL IS A CORE VALUES SCHOOL

We are a core values school! We **CHERISH** our selected seven core values: **C**hrist-centered Living, **H**onor, **E**xploration, **R**esponsibility, **I**ntegrity, **S**ervice, and **H**eroism. In **March**, we are focusing on the value of [service: working for the benefit of others.](#) Our students will continue to learn about the Holy Spirit this month, too. Our students are given the opportunity to acknowledge classmates who

show the core values every day.

Parent/Student/Teacher Conferences

Thursday, March 25 (Noon to 6:30 p.m.)

We will have our parent/student/teacher conferences on Thursday, March 25. If you have any concerns, please let us know. Please remember that you do not need to wait until March 25 to talk to the teachers. You can request a meeting with a teacher at any time.

On Thursday, March 25 school is out at noon.

Please sign up for a conference time slot (noon to 6:30 p.m.) by Thursday, March 11. The conference sign-up sheet (grades K-8) is on the morning screen table at the entrance of the school.

If Thursday, March 25 does not work for you, we can schedule a different day, so please let us know.

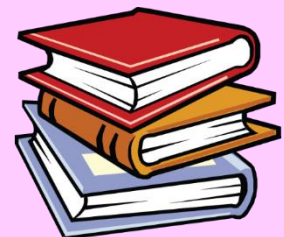

We would like your child(ren) to be responsible for their learning, so we ask them to be a part of the conference.

Thank you for your cooperation.

READ-A-THON FUNDRAISER REPORT

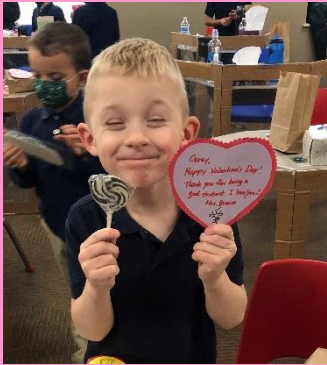

We have completed our read-a-thon fundraiser. Through the students' hard work finding sponsors and generous business donations, we raised over \$1,600.00 for our school!

Thank you so much for your help and support of your child's reading and this fundraiser! If your child raised money through the read-a-thon, and has had difficulty redeeming their prizes, he/she has until next Wednesday, March 10 to redeem prizes through the prize store. If you have any questions regarding how to redeem prizes, please contact Miss Reeder. Again, thank-you so much for your support!

VALENTINE'S PARTY – THURSDAY, FEBRUARY 11

We had our Valentine's party on Thursday, February 11. We exchanged our Valentine's cards and had snack together. We had a great time!!

♥ Happy Valentines Day ♥

FCCS PRESCHOOL CORNER

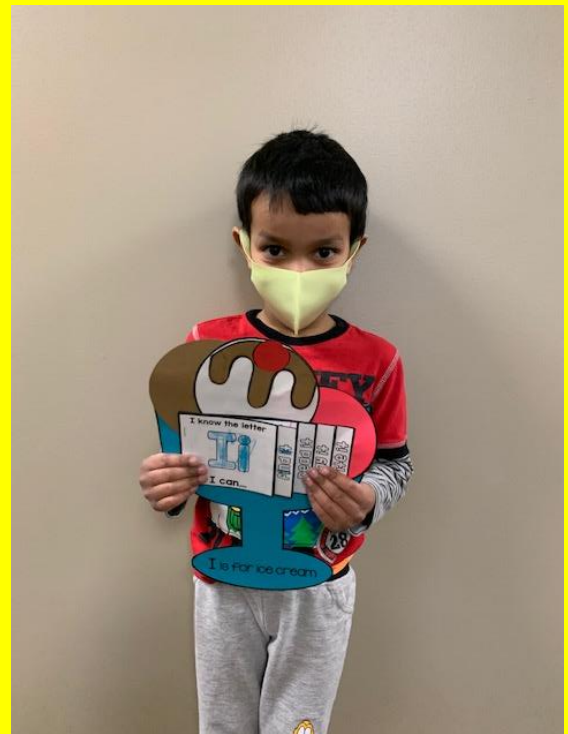

February was a month full of learning for the preschoolers! We did more practice with letter sounds, counted up to 100, practiced visual discrimination, and continued working on our fine motor skills, to name just a few things!

We have also spent some time recently working on our preschool assessments to see how we are progressing with certain skills!

We have spent a lot of time in the gym because of the cold and the ice on our playground, and are looking forward to some warmer weather in March so we can play outside some more!

~Miss Reeder

KINDERGARTEN SCIENCE SECTION

In February, kindergarten finished their study of habitats by making a paper diorama of a forest habitat. This project took a long time, but students learned not only about the parts of a forest habitat, but also about the physics of making paper stand up and other dynamics. This is one of the projects they seemed to enjoy the most so far this year!

Here in March, we have begun a study of

snow and ice, and have already done several experiments investigating how much more space snow takes up than water, how water expands when it is frozen, and some factors that contribute to snow melting. We are looking forward to a few more icy investigations before we head into a spring-related science unit after spring break!

~Miss Reeder
